### Vision

As many of Seattle's citizens age, they need support to:

- **Age well**
- **Age healthy**
- **Age in place**

They shouldn't have to go to multiple places to get that help.

### Population growth

A wave of growth is expected for King County's population aged 60+

### Soaring house costs

**63%** of King County renters age 65+ spend more than 30% of their income on housing
