

Why?

Jonathan, I'm aware that the site could be more accessible. We are confined by the City of Seattle's content management system. Seattle IT controls that. They are making progress. ~ Irene

Let's check on that

Hello. I have questions about Seattle IT's accessibility goals for seattle.gov and, more generally, the city's digital interfaces, and about obstacles to achieving those goals.

Why?

Jonathan, I'm aware that the site could be more accessible. We are confined by the City of Seattle's content management system.  Seattle IT controls that. They are making progress. ~ Irene
